

The UCS Scientific Integrity Curriculum Guide: Worksheet Sources

I. Advisory Committees

The National Academies. "Policy and procedures on committee composition and balance and conflicts of interest for committees used in the development of reports." Online at <http://www.nationalacademies.org/coi/index.html>; accessed April 19, 2007.

The National Academies. "The National Academies study process." Online at <http://www.nationalacademies.org/studyprocess/index.html>; accessed April 19, 2007.

Union of Concerned Scientists (UCS). "Underqualified nominee for FDA reproductive health advisory committee." Online at http://www.ucsusa.org/scientific_integrity/interference/reproductive-health-advisory-committee.html; accessed April 19, 2007.

UCS. "Political litmus tests at the Fogarty International Center." Online at http://www.ucsusa.org/scientific_integrity/interference/fogarty-international-center-advisory-board.html; accessed April 19, 2007.

UCS. "National Nuclear Security Administration panel dismissed." Online at http://www.ucsusa.org/scientific_integrity/interference/national-nuclear-security-administration-panel.html; accessed April 19, 2007.

UCS. "Lead poisoning prevention panel influenced by industry." Online at http://www.ucsusa.org/scientific_integrity/interference/lead-poisoning-prevention-panel.html; accessed April 19, 2007.

II. Consequences

UCS. "What toxic chemicals are released in your neighborhood?" Online at http://www.ucsusa.org/scientific_integrity/interference/toxic-chemicals-release.html; accessed April 19, 2007.

UCS. "Department of Education ignores politically inconvenient study on school performance." Online at http://www.ucsusa.org/scientific_integrity/interference/school-vouchers.html; accessed April 19, 2007.

UCS. "Spotted owl research manipulated to promote logging initiative." Online at http://www.ucsusa.org/scientific_integrity/interference/spotted-owl.html; accessed April 19, 2007.

UCS. "World Trade Center rescue workers believed EPA, ended up sick." Online at http://www.ucsusa.org/scientific_integrity/interference/ground-zero-air-pollution.html; accessed April 19, 2007.

III. Media Policy

UCS. "NASA reaches for muzzle as renowned climate scientist speaks out." Online at http://www.ucsusa.org/scientific_integrity/interference/james-hansen.html; accessed April 19, 2007.

UCS and the Government Accountability Project (GAP). 2007. *Atmosphere of pressure: Political interference in federal climate science..* Online at http://www.ucsusa.org/scientific_integrity/interference/atmosphere-of-pressure.html; accessed April 19, 2007.

UCS. "Survey results." Online at http://www.ucsusa.org/scientific_integrity/interference/survey-summaries.html; accessed April 19, 2007.

IV. Primary Documents

Herbert, H.J. 2005. "White House official singled out for editing climate reports to work for Exxon Mobil." Associated Press, June 14. Online at http://www.whistleblower.org/content/press_detail.cfm?press_id=184&keyword; accessed April 19, 2007.

Piltz, R. 2005. "On issues of concern about the governance and direction of the Climate Change Science Program." Online at http://pubs.acs.org/subscribe/journals/esthag-w/2005/jun/policy/figures/Piltz_Memo.pdf; accessed April 19, 2007.

Revkin, A. 2005. "Bush aide softened greenhouse gas links to global warming." *New York Times*, June 8. Online at <http://www.nytimes.com/2005/06/08/politics/08climate.html?ex=1275883200&en=22149dd80c073dd8&ei=5089>; accessed April 19, 2007.

Sierra Club. "Decoder: See no evil." Online at <http://www.sierraclub.org/sierra/200601/decoder.asp>; accessed April 19, 2007.

UCS. "Julie MacDonald reverses scientists' decisions by decree." Online at http://www.ucsusa.org/scientific_integrity/interference/endangered-species-act-interference.html#gunnisons_prairie_dog; accessed April 19, 2007.

V. Scientific Consensus

Dawson, B. 2004. "In climate change coverage, researchers say balance equals bias." *Environment Writer*, September. Online at http://www.environmentwriter.org/resources/articles/0904_climate.htm; accessed April 19, 2007.

Mooney, C. 2004. "Blinded by science." *Columbia Journalism Review*, November/December. Online at <http://www.cjr.org/issues/2004/6/mooney-science.asp>; accessed April 19, 2007.

Oreskes, N. 2004. "The scientific consensus on climate change." *Science* 306(5702):1686. Online at <http://www.sciencemag.org/cgi/content/full/306/5702/1686>; accessed April 19, 2007.
